Dear Mr. Smith:

RE: **Coastal Zone Consistency for Corps Reference # 200301111**
U.S. Army Corps Public Notice for Individual Section 10 permit to authorize marina expansion, Sinclair Inlet, at the City of Port Orchard, Kitsap County, Washington.

The above referenced Section 10 public notice issued by the US Army Corps of Engineers for proposed work in navigable waters has been reviewed. On behalf of the state of Washington, we have no objections to the issuance of a Corps of Engineers permit under Section 10 of the Rivers and Harbor Act.

Pursuant to Section 307 (c) (3) of the Coastal Zone Management Act of 1972 as amended, the Department of Ecology concurs with your determination that this work is consistent with the approved Washington State Coastal Zone Management Program. This concurrence is based upon compliance with all applicable enforceable policies of the Coastal Zone Management Program.

Please note that this letter does not exempt the applicant from compliance with other requirements of federal, state, and local agencies. If you have any questions, please call Rebekah Padgett of my staff at (425) 649-7129.

Sincerely,

Jeannie Summerhays, Section Manager
Shorelands and Environmental Assistance Program
